U.S. DOLLARS.

CONDITIONS OF SALE

1. Lots are sold to the highest bidder at a slight advance over the second high bid. All bids will be held confidential. "Buy" bids cannot be accepted. In case of tie, the first bid received prevails.
2. All bids are per lots as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect, is returnable, but only within five days of receipt. All disputed lots must be returned intact as received and lots containing five or more items are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. We do not regard covers as defective that have slightly torn or partially missing backflap. This factor is not justification for return of a lot or lots.
4. Successful bidders, unless they are known to us or supply acceptable references in time to be properly checked are expected to make payment in full before the lots are delivered. The fact that an item is placed on extension (submitted to an expertising committee for certification) does not relieve the successful bidder from this condition of sale.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account, the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00. In the event an item is proved "not as described" it is returnable for full refund, and the buyer will be paid interest (at the prevailing Treasury Bill Rate) for the time his funds have been on deposit with us during the extension period.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Richard C. Frajola, Inc. on behalf of the seller.
9. A premium equal to 10% of the successful bid price will be added thereto and is payable by the buyer as part of the total purchase price. The mode of shipment shall be at our option. All forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale. Photocopies of lots are available at 25¢ per copy, maximum 10 copies, and stamped self addressed return envelope required.
11. Agents are responsible for all purchases made in behalf of their clients unless other arrangements are made prior to the sale.
12. Telephone bids are entered when received but must be followed up by written confirmation of the bidder.
13. Unless otherwise noted Catalog numbers refer to current Scott U.S. Specialized Catalog, and other references work as indicated.
14. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

Condition

Condition grades mentioned in the description refer to overall appearance of the item. On covers bearing adhesives, expect normal average centering or margins for the particular issue, only when adhesive condition is above the normal will it be specifically described. File folds on folded letters that do not detract from appearance are not mentioned, nor are missing back flaps on covers if no postal markings are affected.

extremely fine—the best possible condition

very fine—pleasing appearance with all markings well struck

fine—averages appearance for period, markings readable

about fine—somewhat below average, markings partially readable

Estimates

Following each lot is an estimate of what, in the auctioneers opinion, the lot should realize. This is provided as a guide to bidders. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserves but merely a guide to bidding. Cat. when noted refers to 1985 Scott Specialized catalog value.

Telephone Bids

Late bids may be placed by phone, on the day of the sale, by calling the Danbury Hilton Inn at (203) 794-0600. Please ask for Richard C. Frajola, Inc. extension.
