## CONDITIONS OF SALE

1. Lots are sold to the highest bidder at a slight advance over the second high bid. All bids will be held confidential. "Buy" bids cannot be accepted. In case of tie, the first bid received prevails.
2. All bids are per lots as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect, is returnable, but only within five days of receipt. All disputed lots must be returned intact as received and lots containing five or more items are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. We do not regard covers as defective that have slightly torn or partially missing backflap. This factor is not justification for return of a lot or lots.
4. Successful bidders, unless they are known to us or supply acceptable references in time to be properly checked are expected to make payment in full before the lots are delivered. The fact that an item is placed on extension (submitted to an expertising committee for certification) does not relieve the successful bidder from this condition of sale.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account, the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00. In the event an item is proved "not as described" it is returnable for full refund, and the buyer will be paid interest (at the prevailing Treasury Bill Rate) for the time his funds have been on deposit with us during the extension period.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Richard C. Frajola, Inc. on behalf of the seller.
9. A premium equal to 10% of the successful bid price will be added thereto and is payable by the buyer as part of the total purchase price. The mode of shipment shall be at our option. All forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale. Photocopies of lots are available at 25¢ per copy, maximum 10 copies, and stamped self addressed return envelope required.
11. Agents are responsible for all purchases made in behalf of their clients unless other arrangements are made prior to the sale.
12. Telephone bids are entered when received but must be followed up by written confirmation of the bidder.
13. Unless otherwise noted Catalog numbers refer to current Scott U.S. Specialized Catalog, and other references work as indicated.
14. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

Richard C. Frajola, Inc.

## Condition

Condition grades mentioned in the description refer to overall appearance of the item. On covers bearing adhesives, expect normal average centering or margins for the particular issue, only when adhesive condition is above the normal will it be specifically described. File folds on folded letters that do not detract from appearance are not mentioned, nor are missing back flap on covers if no postal markings are affected.

extremely fine—the best possible condition  
very fine—pleasing appearance with all markings well struck  
fine—averages appearance for period, markings readable  
about fine—somewhat below average, markings partially readable

## Estimates

Following each lot is an estimate of what, in the auctioneers opinion, the lot should realize. This is provided as a guide to bidders. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserved but merely a guide to bidding. Cat. when noted refers to 1991 Scott Specialized catalog value.

## Telephone Bids

Late bids may be placed by phone, on the day of the sale, by calling the Denver Marriott West at (303) 279-9100. Please ask for Richard C. Frajola, Inc. extension.

## FAX Bids

We now have a FAX machine that can be used to transmit bids. The FAX number is (303) 569-3244.

## RED MEN HALL

Richard C. Frajola, Inc. has moved to Red Men Hall, Empire, Colorado. Empire is located at 8,600 feet in the Colorado Rockies, 40 miles west of Denver just 1½ miles north of Interstate 70 on Highway 40 (Berthoud Pass Road) on the direct route to many famous ski resorts and the Rocky Mountain National Park.

Empire was founded in 1860 shortly after the discovery of gold in the area. The area surrounding Empire has many abandoned gold and silver mines and is laced with excellent trails for hiking and biking.

Red Men Hall was built shortly before the turn of the century by the Improved Order Of Red Men, Machinac Tribe #29. The order of Red Men was a non-convivial, charitable organization founded in Baltimore in 1833. Its purpose was to preserve the traditions, culture and customs of the American Indian by incorporating them into the rites of the organization. The Machinac Tribe gave up its charter in 1961.

Louise Harrison, grand-daughter of Adolph Coors founder of the famous brewery, and her sister acquired the property, restored it and turned it into a museum. In 1976 the building was purchased by Vernon and Winifred Hines who operated it as a museum and Indian Art Gallery until purchased by Richard and Francine Frajola last year.

Part of the building is occupied by Richard C. Frajola, Inc. while the remainder is an Indian Art Gallery, under the direction of Francine Frajola. Red Men Hall Gallery features the best of Native American arts and crafts as well as Southwestern art by leading artists including paintings, prints, jewelry, sculpture, Kachinas, pottery, and Hopi baskets.

We would like to extend our personal invitation for you to visit us on your next trip to Colorado.

A NATIONAL SON

All hail unfurl the stripes and stars  
The banner of the free  
You (line 1) in freedom's path go  
The shrine of Liberty  
Come, with our heart, our hope, our  
A hundredfold  
To all who stand  
The ruler of our land,  
Our ruler binds no other man's,  
No ancient, no new law  
No legal right to sovereignty,  
Inherited and divine  
A strict—at his country's call  
Bearing the burden  
Of the people's inalienable  
A sovereign by our choice.  
And none, before the mighty pole  
We bow to—liberty  
He swears to cherish and defend  
The charter of the free  
God of the broken and the whole  
His country's supreme command  
The Union of the States

COUNTRY ROME.

I do not ask that city gates  
May flung in my direction fly,  
But that my home may be where time  
Are pointing to the skies,  
Where dwells the heavenly mountain, all  
With sweet and merry sound,  
And that the air of its kindlers  
Shall through the woods resound.

I cannot leave the city square,  
Its golden and its prime,  
And I will not leave the double road  
Which leads to the mountain side,  
I mean to know the shady tree  
The tuft and the rose,  
And where beside the rivulet,  
The early tulip grows.

I would not give my quiet home,  
Its happiness and health,  
For all the city palaces,  
The pleasure and the wealth,  
I love to loathe the mountain air,  
And roam where all is true.

WAITING FOR THE WALL

602

603

I THINK OF THIS.

I think of thee, when mist and fog  
The mystic shroud about the vale;  
Of whom the evening's golden glow  
Lights up the hill and flowered dale.

I think of thee, when all is lone  
And silent o'er the grassy plain;  
And when the hovering spirit is  
I think of thee—I think of thee.

I think of thee, when wind and rain  
The lone lone hush her sleep on high,  
And like a silver shroud, white,  
Is lying in the empty sky.

I think of thee, when fairs the flowers  
The sunny soil with buds of life;  
And the bird is singing sweet  
Upon the mountain's woody slope.

I think of thee, when far away  
From life's world and sorrow's way,  
O'ercome, I mingle with the gray,  
I think of thee—I think of thee.
