U.S. DOLLARS.

CONDITIONS OF SALE

1. Lots are sold to the highest bidder at a slight advance over the second high bid. All bids will be held confidential. "Buy" bids cannot be accepted. In case of tie, the first bid received prevails.
2. All bids are per lots as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect, is returnable, but only within five days of receipt. All disputed lots must be returned intact as received and lots containing five or more items are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. We do not regard covers as defective that have slightly torn or partially missing backflap. This factor is not justification for return of a lot or lots.
4. Successful bidders, unless they are known to us or supply acceptable references in time to be properly checked are expected to make payment in full before the lots are delivered. The fact that an item is placed on extension (submitted to an expertising committee for certification) does not relieve the successful bidder from this condition of sale.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account, the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00. In the event an item is proved "not as described" it is returnable for full refund, and the buyer will be paid interest (at the prevailing Treasury Bill Rate) for the time his funds have been on deposit with us during the extension period.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Richard C. Frajola, Inc. on behalf of the seller.
9. A premium equal to 10% of the successful bid price will be added thereto and is payable by the buyer as part of the total purchase price. The mode of shipment shall be at our option. All forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale. Photocopies of lots are available at 25¢ per copy, maximum 10 copies, and stamped self addressed return envelope required.
11. Agents are responsible for all purchases made in behalf of their clients unless other arrangements are made prior to the sale.
12. Telephone bids are entered when received but must be followed up by written confirmation of the bidder.
13. Unless otherwise noted Catalog numbers refer to current Scott U.S. Specialized Catalog, and other references work as indicated.
14. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

Condition

Condition grades mentioned in the description refer to overall appearance of the item. On covers bearing adhesives, expect normal average centering or margins for the particular issue, only when adhesive condition is above the normal will it be specifically described. File folds on folded letters that do not detract from appearance are not mentioned, nor are missing back flap on covers if no postal markings are affected.

extremely fine—the best possible condition
very fine—pleasing appearance with all markings well struck
fine—averages appearance for period, markings readable
about fine—somewhat below average, markings partially readable

Estimates

Following each lot is an estimate of what, in the auctioneers opinion, the lot should realize. This is provided as a guide to bidders. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserved but merely a guide to bidding. Cat. when noted refers to 1991 Scott Specialized catalog value.

RED MEN HALL

Richard C. Frajola, Inc. has moved to Red Men Hall, Empire, Colorado. Empire is located at 8,600 feet in the Colorado Rockies, 40 miles west of Denver just 1½ miles north of Interstate 70 on Highway 40 (Berthoud Pass Road) on the direct route to many famous ski resorts and the Rocky Mountain National Park.

Empire was founded in 1860 shortly after the discovery of gold in the area. The area surrounding Empire has many abandoned gold and silver mines and is laced with excellent trails for hiking and biking.

Red Men Hall was built shortly before the turn of the century by the Improved Order Of Red Men, Machinac Tribe #29. The order of Red Men was a non-convivial, charitable organization founded in Baltimore in 1833. Its purpose was to preserve the traditions, culture and customs of the American Indian by incorporating them into the rites of the organization. The Machinac Tribe gave up its charter in 1961.

Louise Harrison, grand-daughter of Adolph Coors founder of the famous brewery, and her sister acquired the property, restored it and turned it into a museum. In 1976 the building was purchased by Vernon and Winifred Hines who operated it as a museum and Indian Art Gallery until purchased by Richard and Francine Frajola last year.

Part of the building is occupied by Richard C. Frajola, Inc. while the remainder is an Indian Art Gallery, under the direction of Francine Frajola. Red Men Hall Gallery features the best of Native American arts and crafts as well as Southwestern art by leading artists including paintings, prints, jewelry, sculpture, Kachinas, pottery, and Hopi baskets.

We would like to extend our personal invitation for you to visit us on your next trip to Colorado.

My dear Mr Fairfax

I rec^d your note of the 23rd Ult^o & am
very sorry for the unpleasant situation of my young
friend Elhelbert. I hope something may be
done to relieve him. I have written to ascertain
what action was taken on his recommendation for
promotion in the Signal Corps. That seems to offer
the speediest plan of amelioration, & at present I see
no other. Please present my kind regards to the
D^{rs} & your daughters & believe me very truly

Yours R V Lee
