ACCOMPANYING A LETTER FROM THE POST MASTER GENERAL,
RECEIVED THE 2d JANUARY, 1805.

GENERAL POST OFFICE,

JANUARY 2d, 1805.

IN compliance with the resolution of the House of Representatives of the 28th ult. the post master general has now the honor of transmitting to the House of Representatives, the following list of the names of the persons, with whom contracts have been made for carrying the mail of the United States, from the first day of December, 1801, to the last day of December, 1804, inclusive.

As many of the contracts in operation after the first day of December, 1801, some of which have not yet expired, were made previous to that date, and are not therefore now reported, it is but proper to remark, that the list does not exhibit a complete view of all the contracts for carrying the mail, in existence during the period mentioned in the resolution.

Proposals are now receiving for contracts for carrying the mails on many of the post roads, which will be decided on the fifteenth of this month, and the contracts will commence their operation on the first day of April next.

Among these, it is contemplated to make provision for extending the line of stages through Virginia, by Staunton and Abingdon, to Knoxville in Tennessee; and from Pittsburg in Pennsylvania, by Wheeling and Chilicothe, to Lexington in Kentucky; and also from Louisville to Frankfort, and from thence to Stanford, if practicable. With this view, the post master general has received a number of proposals, and opened a number of negotiations, but neither of the contracts are closed, or can they be until the fifteenth of the present month.

All which is respectfully submitted,

GIDEON GRANGER,

Post Master General.
